

# 2021 IMPACT REPORT

# TRANSFAMILY SUPPORT SERVICES 2021 IMPACT

---

## MAJOR ACCOMPLISHMENTS

Increased Leadership & Expanded by Staff by 5: Youth & Community Manager, Operations Manager, Huntsville Programs Manager, Bilingual Youth Programs Coordinator, Insurance and Medical Navigator

Launched our Latinx/é Program

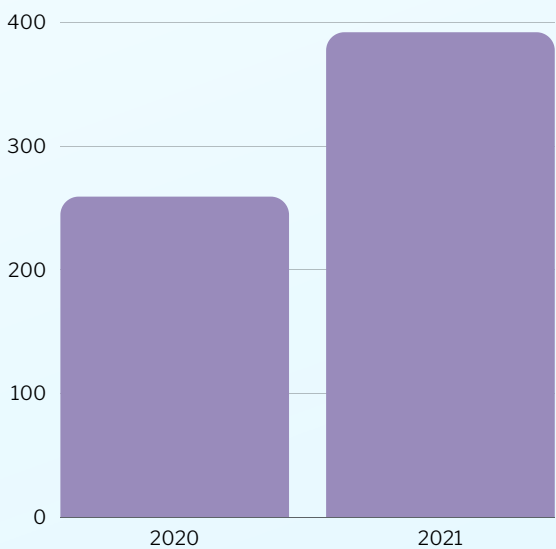

Expanded Youth Programs to Include 3 Discord Servers

Trained 2,600 County of San Diego Employees

Conducted 66 School/Community Trainings

167 Family Engagement Sessions Held

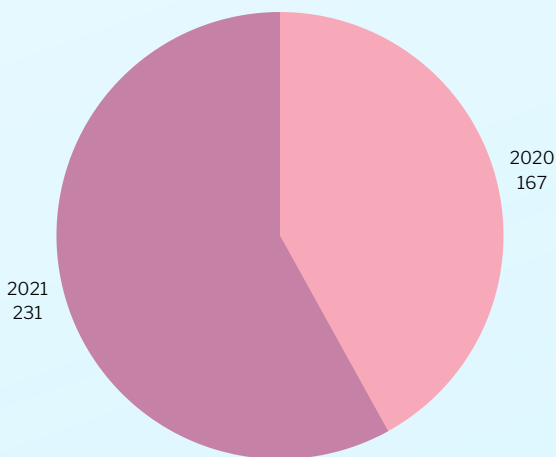

## Households Served

In 2021, our team served 391 households which is a 53% increase from the 260 households served in the prior year.

In total-to-date, we have served 2,338 households through the different services we offer.

## Insurance Work

Through our insurance work, we are able to assist transgender and gender non-conforming individuals navigate insurance, denials of medical treatment and link them with medical providers to aid in their journey to access gender affirming care.

In 2021, our team served 231 households which is a 38% increase from the 167 households served in the prior year.

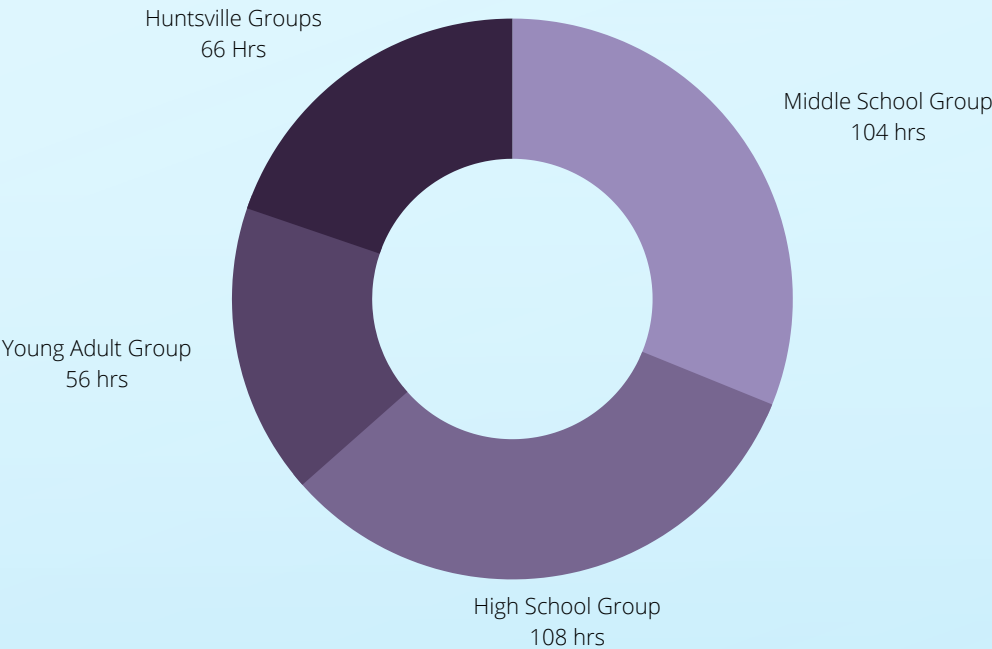

## Youth Support Groups

Our team spent a total of 334 hours in groups throughout 2021.

The team offered a total of 5 weekly peer-to-peer support groups which were:

- Middle School Group
- High School Tuesday
- Young Adults
- Huntsville High School
- Huntsville Middle School
